

# 126 Gallery Visual Guide

Welcome to the 126 Gallery

Where?

15 St Bridget's Place,  
Woodquay H91NN29

There is a wheelchair accessible toilet. It is on the right side of the foyer.

However support and grab bars around the bathroom are not currently in place.

The friendly GIAF volunteers (who look like those in the pictures to the left) will welcome you and answer your queries.

There is a large tarmacked area at the front of the gallery with ample room for cars to park
