

Galway Arts Centre Visual Guide

Welcome to the Galway Arts Centre

Where?

47 Domick Street H91X0AP

There is a step at the entrance.

A ramp can be provided for wheelchair users.

There are toilets on the ground floor.

Go through the door at the back wall of the room to find the toilets, including a gender neutral accessible toilet.

Unfortunately there is no lift in the building, so the upstairs is not accessible to wheelchair users.

The friendly GIAF volunteers (who look like those in the pictures to the left) will welcome you and answer your queries.
